

Height of
Magnificence

Explore the height of
Shining, Blissful Living

Rising majestically in the rapidly growing area of
Kudasan, just off the Sarkhej-Gandhinagar Highway,

Dev Parisar is a project of twin towers.

Designed to offer higher, smarter, happier lifestyle to its dwellers,
this project is all to raise the standards of quality living.

Committed to Build **Happiness**

Dev Parisar is yet another proud project of the Dev Group, one of the most distinguished and trustworthy names in the real estate arena of Gujarat.

The group has been working towards a vision of building happiness for people by realising their dream homes with the finest offerings. Backed with rich experiences and profound expertise, the group is creating icons in the twin city of Ahmedabad and Gandhinagar.

Height of Creativity

Dev Parisar is passionately designed by Bhaumik Patel, a renowned young architect with several exceptional projects to his name.

Bhaumik is known for his out of the box thinking and giving his projects a distinct identity. He loves to design communes where families can genuinely enjoy all of life's blessings.
